### Biography Kerry McCuaig

---

#### Kerry McCuaig

Senior Fellow in Early Childhood Policy, *Atkinson Centre for Society and Child Development*

Kerry McCuaig co-developed and produces the [Early Childhood Education Report](#), which tracks provincial/territorial progress in early years program development. She co-authored [Early Years Study 3, Making Decisions, Taking Action](#) with Margaret McCain and the late Fraser Mustard.

Kerry has had a long involvement in early childhood policy including as a founder of [Toronto First Duty](#), a pioneer in the integrated delivery of early childhood programming. She supported similar integrated ECE service models in Atlantic Canada.

She has authored several publications, including those commissioned by the Senate of Canada, the Toronto Board of Trade, and the governments of Manitoba, New Brunswick, the Northwest Territories, British Columbia, Ontario and the City of Toronto as well as reports for labour, women's and community organizations.

Kerry is a frequent speaker at national and international conferences and is an advisor to the Early Childhood Development-Funders Working Group.
